600 N. Fairbanks
Chicago, Illinois

221 condominiums fitted with
Sub-Zero and Wolf appliances

“Designed by Helmut Jahn, our residences reflect an international aesthetic – simple elegance and clean lines. The Sub-Zero and Wolf kitchen appliances, with their excellent craftsmanship, sleek European sophistication yet Midwestern sensibility, and unparalleled customer service, have been critical to the gestalt and have greatly enhanced the value of our condominiums. Sub-Zero and Wolf products have been key elements of a successful project, and we couldn’t be happier about that.”

– NOAH SCHATZ, *Developer, Schatz Development*

Darcy Bonner and Associates
Chicago, Illinois

“We trust Sub-Zero and Wolf and have used them time and again for a wide variety of projects. Styles range from contemporary to traditional, but the quality remains precisely the same – extraordinary.”

– DARCY BONNER, *Darcy Bonner and Associates*

top shelf

Designer kitchens are the top priority for luxury home buyers, and Sub-Zero and Wolf are the brands of choice for discerning customers. One glance at a Sub-Zero and Wolf kitchen assures potential buyers that your entire property is top shelf. Sub-Zero and Wolf products fit seamlessly into your design, showcasing attention to detail and perfection.

INCOMPARABLE QUALITY AND VALUE

You won’t find a better return on your investment than Sub-Zero and Wolf. Each piece is handcrafted with the highest quality standards. Our products are constructed in Madison, Wisconsin, and each and every unit undergoes rigorous testing before it leaves the factory. It’s been that way since 1945. An industry exclusive, Sub-Zero’s dual refrigeration system ensures optimum freshness for your food in

both the freezer and refrigerator compartments. And with Wolf, our exclusive dual convection delivers unparalleled cooking consistency. Sub-Zero and Wolf products are the most sought-after in the industry, but that’s not good enough for us. We have earned our reputation for excellence by providing exemplary service to our customers and investing our resources back into our products.

STAFF DEDICATED TO ONE PRODUCT LINE, COMMITTED TO YOUR BUSINESS

We support independent dealers. You won't find us in big box stores. We believe in providing our customers a more personalized experience when purchasing our products. Our team sells only Sub-Zero and Wolf, so we know our products inside-out, from installation to customer care.

Moreover, we understand the specific needs of builders, developers, and architects, and devote a team concentrated solely on your business. Because of our exceptional focus and customer care, Sub-Zero and Wolf are selected more often than any other high end product in this market.

BEST CUSTOMER SERVICE IN THE BUSINESS, BAR NONE

We've been in business more than 60 years, three generations of a family-owned company with uncompromising dedication to quality and service. We offer you, your customers, and staff a knock-your-socks-off, see-it-to-believe-it showroom. Daily cooking demonstrations. Convenient downtown demonstration facilities. Round-the-clock private events and training. Site checks so installation is seamless. Dedicated service with 24-hour or less turnaround.

Lindenwood Development *Green Lake, Wisconsin*

170 single-family
luxury lakefront and
golf course homes

"We looked at a multitude of manufacturers, and the choice was obvious. Sub-Zero and Wolf are dedicated to quality and service, it's a world-class company, appropriate for a project of this caliber. As builders and developers of premier homes, Sub-Zero and Wolf demonstrate to our clients a high level of commitment to quality. We consider Sub-Zero and Wolf partners for the long term."

— TED DOMINOWSKI, *Vice-President of Sales and Marketing,
Lindenwood Development*

THE INDUSTRY'S MOST COMPREHENSIVE WARRANTY

Sub-Zero: Full two years parts and labor, five years parts and labor on the sealed system, and 12 years parts for the sealed system.

Wolf: Full two years parts and labor and five years parts.

ENERGY AND SPACE EFFICIENT

Costing only pennies per day to operate, even our largest unit uses less power than a 100-watt bulb annually. Every inch of Sub-Zero interiors are easy to see and reach.

Meadowood Estates of Kildeer
Kildeer, Illinois

Exclusive subdivision featuring
Sub-Zero and Wolf appliances.

“Many of my clients look no further than the kitchen when judging the entire house. If the quality is not there, they’ll walk out. No other company has the reputation, craftsmanship, or service as Sub-Zero and Wolf. I know it and my clients do, too.”

– STEPHEN RICE, *Art Green Construction*
